Support hourly rate¹ (EUR/h)			167

The fees and the hourly rate for support are adjusted annually. The basis is the collective agreement for employees of companies in the field of services in automatic data processing and information technology or the collective agreement replacing it. The adjustment factor is the actual wage increase for employees in the job family "special activities" (ST1 / experience level) or an equivalent classification replacing it. The remuneration and hourly rate for support shall be commercially rounded to whole numbers.

The fee for the connection shall be prescribed/invoiced annually by 1 June at the latest for the current calendar year or within 30 calendar days of conclusion of the contract. The invoice amount is due for payment within 10 calendar days of receipt of the invoice.
